

INDIAN GEOTECHNICAL CONFERENCE 2021

GEOTECHNICS FOR **INFRASTRUCTURE** DEVELOPMENT AND **INNOVATIVE** APPLICATIONS

DECEMBER 16-18, 2021 - ON VIRTUAL MODE USING 3D PLATFORM

BULK REGISTRATION PACKAGES

IGS Trichy Chapter is delighted to introduce bulk registration packages (**only for participants**) for the upcoming event, Indian Geotechnical Conference 2021, scheduled virtually using the 3D platform from **December 16 to 18, 2021**. We will be very grateful for circulating the information among the colleagues and student community of your esteemed institution.

The participants enrolled under the bulk registration packages will be entitled to avail the following benefits:

1. Access to all technical sessions
2. Access to 18 Keynote and 20 Special/Theme lectures by distinguished experts
3. Conference proceedings and certificate (soft copy)
4. Access to Pre-conference workshop sessions on the following topic:
 - a. “Unsaturated Soil” by TC106 – ISSMGE
 - b. “Geotechnical Engineering Practices – Academia & Industry Perspective” – A Panel discussion

Bulk registration packages are announced mainly to benefit the student, staff, and practitioner community, thereby the group registration can be done under the single participant details, and the list of group members can be intimated via email to igc2021.trichy@gmail.com. After the successful payment of the registration fee, please update your transaction details on our conference webpage: <https://igc2021trichy.nitt.edu/trans.php>.
